Steve Loney HEAD COACH

Steve Loney assumes the Eagle head coaching duties following two years on the Eagle staff as offensive coordinator.

A former football player and assistant coach at Iowa State, Loney also served as offensive coordinator at Missouri Western College and head coach at Leavenworth (Kan.) High School.

Loney inherits a team that posted a 4-7 mark, including a 2-5 slate in the Ohio Valley Conference. In spite of the losing record, Loney is enthusiastic about this season's prospects.

"We feel we have a solid foundation to build on at MSU," he stated. "I have been a part of the program for three seasons, and I know we have the talent and attitude here to be a winner."

He continued:

"We have talented people at the skill positions and we should be experienced on the offensive line. I am very hopeful that this will be our year to turn things around."

"Defensively, we have installed a new system that we hope will utilize to the maximum the talent we have. Again, we have veteran people playing for the most part, and I feel the spirit is there for us to win."

Loney, who will have the individual responsibility of coaching the offensive line, is married to the former Terri Lynn Davidson of Joplin, Mo. They have a son and daughter.

THE UNIVERSITY

Growth - in quality and quantity - is the continuing theme at Morehead State University.

From a teacher's college little known outside Kentucky, MSU has evolved into a regional university reaching out to serve Kentucky, Appalachia and the nation.

Morehead State stands today on a 500 acre campus in the foothills of Daniel Boone National Forest. With enrollment at more than 7,000 and 900 faculty and staff members, MSU features a 50-structure skyline dominated by the two tallest occupied structures in Eastern Kentucky, 19-story Cartmell Hall and 16-story Mignon Tower.

Academically, the University's six schools - Social Sciences, Education, Applied Sciences and Technology, Humanities, Sciences and Mathematics, and Business and Economics - offer 145 programs of study from the associate degree through a joint doctoral program.

Administratively, the University operates under a 10 member Board of Regents with eight citizens appointed by the governor of Kentucky and two seats held by elected faculty and student

representatives who hold full voting rights. The administrative structure consists primarily of four bureaus - academic affairs, fiscal affairs, university and regional services and student affairs.

Dr. Morris L. Norfleet, who took office Jan. 1, 1977, is MSU's eighth president. A graduate of Purdue University and the University of Kentucky, he joined the faculty and administrative staff in 1962 as director of student teaching.

Athletically, the University sponsors a full program of intercollegiate sports for men and women conducted in accordance with rules and regulations of the Ohio Valley Conference, National Collegiate Athletic Association, the Kentucky Women's Intercollegiate Conference and the Association of Intercollegiate Athletics for Women. The University's athletic facilities include a 10,000 seat stadium with an eight-lane oval track, a 7,000 seat gymnasium, a nine-hole golf course, and indoor swimming pool, 14 all-weather tennis courts, a 1,200 seat baseball park and a lighted soccer field.

G. E. (SONNY) MORAN

DIRECTOR OF ATHLETICS

The foundation for any structure must be strong for the structure to withstand the elements. That's the way athletics at Morehead State University is built on the strong principles of Athletic Director Sonny Moran.

The 54-year-old Moran came to MSU in 1974 from the head basketball coaching position at West Virginia University. He served on the Mountaineer staff for nine seasons, the last five as head coach.

Moran began his coaching career in 1950 at Chamberlain Junior High School in Charleston, W. Va. After serving as head basketball coach and coaching numerous other sports at Elkview and Stonewall Jackson high schools, he became head coach and athletic director at Morris Harvey College in Charleston.

He posted a 148-74 career coaching record at Morris Harvey from 1957 through 1965 before moving to WVU. He posted a 205-141 college coaching record and a 274-156 total career record.

He was selected the college "Coach of the Year" in West Virginia in 1962 and was the West Virginia Intercollegiate Athletic Conference "Coach of the Year" in 1964. He served as coach of the South squad in the North-South College All-Star Basketball Game in Erie, Pa., in 1972.

His Morris Harvey teams won two WVIAC basketball championships and participated in the National Association of Intercollegiate Athletics national tournament in Kansas City in 1962 and 1964. His tennis teams at Morris Harvey also won conference titles in 1964 and 1965 and participated in the national tournament.

As an athlete, Moran was a standout baseball and basketball player at Morris Harvey.

A graduate of Stonewall Jackson High, he received his bachelor's degree in 1950 from Morris Harvey and a master's degree in education in 1957 from WVU.

Moran is married to the former Betty Morgan of Charleston. They have two daughters.

J. E. (SONNY) ALLEN

ASST. DIRECTOR OF ATHLETICS

John E. (Sonny) Allen assumed the assistant athletic director's post after guiding the Eagles to an enviable 226-137 mark in 14 seasons as head baseball coach. His teams won four Ohio Valley Conference Eastern Division crowns and captured the conference title three times. He was selected OVC "Coach of the Year" in 1957, 1969 and 1973. His baseball teams at University Breckinridge School carved an outstanding 225-25 mark.

But Allen may also be remembered for his own athletic ability.

He played high school basketball at University Breckinridge School and was named to the all-district team five times, all-region team four times and all-state twice. He led Breck to the state title in 1946 and was named "Star of Stars" in the annual Kentucky-Indiana All-Star Game that year.

Allen lettered for times at MSU and is the only Eagle ever to be a four-time all-conference player. He was All-Kentucky Intercollegiate Athletic Conference twice and two time All-Ohio Valley Conference.

He is the No. 3 scorer in Eagle basketball history with 1,923 points and held the all-time scoring record for a freshman until it was broken by Herbie Stamper in 1975-76.

Allen won all-America honors in 1950 and signed a professional basketball contract with the Indianapolis Olympians of the National Basketball Association. He signed a professional baseball contract with the Brooklyn Dodgers in 1946.

His coaching career began in 1955 and has included stints in golf, cross country and basketball.

He is a member of the Kentucky Basketball Hall of Fame. MSU's modern baseball park carries his name.

He is married to the former Merl Fair of Morehead. They have four children.

In Support of Intercollegiate Athletics

Don Russell, Athletic Development Officer 606-783-4747, 4777

Prospective Members:

We extend a cordial invitation to you to become a member of the Eagle Athletic Fund. The purpose of this organization is to provide financial support through cash gifts and gifts-in-kind in order to assist in the promotion and advancement of the entire intercollegiate athletic program at Morehead State University. Membership is open to alumni, faculty, staff, students, firms, businesses, organizations, clubs and other friends of the University.

The Eagle Athletic Fund is incorporated with the MSU Foundation, a tax exempt organization under Section 501 (c) (3) of the Internal Revenue Code. This organization has been designated by the MSU Board of Regents to receive and administer gifts on behalf of the University. Financial records are accurately kept and are audited annually to insure total compliance with the rules of the National Collegiate Athletic Association and the Ohio Valley Conference.

The utilization of outside funds started in 1978 at MSU and since then reductions in state subsidies have convinced us that the E.A.F. is the right course of action to assure stability in the future of our athletic program.

We would sincerely appreciate having you as a member of the Eagle Athletic Fund and hope you will give serious consideration to supporting the Morehead State Eagles in this fashion.

Sincerely,

G. E. Moran, Jr.

THE NICKNAME

It was in the fall of 1926 when J.M. Clayton, a Morehead businessman, announced he would sponsor a contest to select a nickname for the athletic teams at the town's new state college.

Miss Peaches Ellis, now Mrs. Jack Cecil of Morehead, submitted "Bald Eagles" as a name suggestion and won the \$10 first prize.

"Bald Eagles" was used for a few years but it eventually gave way to just "Eagles" for the sake of convenience.

A painting of the Morehead State University Bald Eagle was commissioned in 1970 and more than \$30,000 worth of prints have been sold to finance scholarships.

A popular attraction at a home football and basketball games is the "MSU Fighting Eagle," a man-sized mascot resplendent in a colorful and detailed costume.

OHIO VALLEY CONFERENCE

In 1948 five schools—Morehead State, Western Kentucky, Eastern Kentucky, Murray State, and Louisville—withdraw from the Kentucky Intercollegiate Athletic Conference (KIAC) and were joined by Evansville in forming the original membership for the Ohio Valley Conference. They were joined shortly thereafter by Tennessee Tech and Marshall.

The membership has changed over the years. Middle Tennessee joined the league in 1952, East Tennessee in 1957 and Austin Peay in 1962. Louisville became an independent in 1949 and Marshall and Evansville departed in 1952.

Most recently, East Tennessee withdrew, being replaced by the University of Akron and Youngstown State.

In 1955 the National Collegiate Athletic Association formally recognized the OVC as a major basketball conference, giving the league's champion an automatic bid to the post-season NCAA tournament. At that time, the OVC was only the second six-team conference to obtain major status from the NCAA.

For many years the OVC has been represented in the nation's top holiday and post-season basketball tournaments. The league has also won recognition for its football program, having had representatives in such post-season classics for college division teams as the Refrigerator Bowl, the Tangerine Bowl, the Grantland Rice Bowl and the Pioneer Bowl.

Most recently, the OVC has achieved national recognition in football in the NCAA's Division I-AA with a national championship and runner-up spot the last two seasons.

OVC champions have also been prominent in national minor sports tournaments in recent years, evidencing the strength of its programs in baseball, track, golf, tennis, cross country and rifle.

James Delany, former NCAA investigator and a graduate of the University of North Carolina, is the league commissioner.

Delany, who operates the conference office in Nashville, Tenn., is the fourth commissioner in the OVC's 33-year history.

Leading the MSU defensive unit is junior linebacker Dan Gooch, a record setting performer as a sophomore. Through two games, Gooch had 20 tackles and 15 assists for a total of 35 defensive plays.

MSU's offensive leader through two games was junior quarterback Don Reeves. A returning starter, Reeves completed better than 60 per cent of his passes in season-opening losses to Marshall and Middle Tennessee.

Tie-Breaker Plan for NCAA Division I-AA, Division II and Division III Football Championships

Following is a resume of the procedures and interpretations concerning the tie-breaker system to be used in all games of the 1980 NCAA Division I-AA, Division II and Division III Football Championships.

The NCAA Official Football Rules shall apply except where amended in the tie-breaker plan or elsewhere in this handbook.

1. Procedure Following Regulation Play—Immediately following the conclusion of the fourth quarter, officials will instruct both teams to retire to their respective team areas. The officials will assemble at the 50-yard line and review the tie-breaker procedures. Without delay, the officials shall go directly to the team benches and inform the coaches which end of the field will be used for the start of the first overtime period. The officials will escort the captains to the center of the field for the coin toss, following the same procedure used for the pregame toss. The visiting captain will call heads or tails while the coin is in the air. The winner of the toss shall be given the option of selecting offense or defense for the first possession of the first overtime period and any subsequent odd-numbered overtime periods. The loser of the toss shall have this option before all even-numbered overtime periods.

2. Beginning the Overtime—The referee shall select the goal toward which the overtime periods shall be played.

After Team A has had the ball for its series, whether it has scored or not, Team B becomes the offensive team with the ball on Team A's 15-yard line, first and 10.

3. Overtime Periods—An overtime period shall consist of a possession by both Team A and Team B. If after both teams have had a possession or the score is tied, there will be a coin toss.

4. Scoring—For every 100.00 points after an equal number of possessions, the final score will be the sum of the scores during regulation and overtime.

5. Additional Periods—If the score remains tied after an equal number of possessions, play shall continue into an additional overtime period(s). No rest period, team conference or toss of coin shall be permitted. Team B's captain (loser of coin toss after regulation play) shall be given the option of selecting offense or defense for the second overtime period. This procedure will be repeated until a winner is determined.

6. Number of Downs—Each team shall have possession of the ball until it has scored or failed to gain a first and ten by either running out of downs or losing possession through an intercepted pass, recovered backward pass, fumble or unsuccessful field goal attempt. Excluding penalties, a team in most cases would have a maximum of eight attempts to score.

7. Loss of Possession—When a team scores a field goal, touchdown, or safety, it gives up possession. When the defensive team gains possession of the football, the ball is dead. If a touchdown is scored, the offensive team may try for a one- or two-point conversion.

8. Defense May Not Score—When the defensive team gains possession of the football by recovering a fumble, intercepting a pass, recovering a backward pass or after a field-goal attempt is unsuccessful, the ball is dead and the play stops. The defensive team may not advance the ball after any of the above changes of possession, and the whistle will be blown promptly to stop play.

9. Safety—A safety may be scored only when Team B (defense) imparts the impetus to a loose ball. Team B (defense) is not responsible for a safety when the ball is in possession and taken into the end zone. The ball is dead in the field of play when Team B (defense) gains possession.

10. Field Goals—Field goal attempts are permitted during any down but may not be recovered or advanced for the benefit of the offensive team. Successful field goals shall count three points.

11. Pass Interference—Rules pertaining to offensive and defensive pass interference remain the same in the overtime periods as during regulation play, except as noted in Situation 2 below.

12. Dead Ball Fouls—Dead ball fouls following a touchdown, field goal or successful try are penalized from the 15-yard line.

13. Live Ball Fouls—Distance penalties for fouls other than those at the snap by Team B during a down that ends in a touchdown, field goal or successful try are penalized from the 15-yard line; however, the field goal and try may be declined and the penalty enforced by rule. The postscrimmage kick enforcement spot is the 15-yard line.

14. Fouls Between Periods—Fouls occurring between the end of the fourth period and the start of the first overtime period shall be penalized from the 15-yard line.

15. Timeouts—Each team shall be allowed one timeout for each extra period. Timeouts not used during regulation play may not be carried over into the extra period(s). Further, unused extra-period timeouts may not be carried over into additional extra periods. Timeouts taken between periods shall be charged to the succeeding period.

16. Example—Team A and Team B are tied after four periods of play. Both teams retire to their respective team areas. The officials confer briefly at midfield, then bring the captains out to the center of the field. Team B wins the toss and elects to be on offense. The officials determine the field.

Team A starts the play with a snap. It fails to make a first down. Team B punts the ball to the same end of the field. If it scores, the game is over at that point. If Team A scores, the game is over at that point. If Team A has the option of being on defense or offense for the first possession of the second overtime period. Play proceeds as outlined above until a winner is determined after an equal number of possessions.
